(Use a separate sheet to complete the evaluation. Please comment on each point and provide a mark as indicated.)

1) Project Outline (Prepared and submitted in a complete manner.)
____/10

2) Daily Effort (Effective use of time, creative input to the direction, ideas, preparation, staying on task.) ____/20

3) Skills Learned (Did you achieve your goal? Were you satisfied with your learning? Did you learn anything new?) ____/20

4) Final Project Presentation (Are you happy with the outcome: list strengths, weaknesses of the project and presentation.) ____/50

Journal:

Reflect upon the process you went through to prepare the project. If you worked with a group, evaluate the effectiveness of the group. Were any problems encountered - if so, how were they dealt with? Do you believe you were working to full capacity? Was the project personally satisfying? Explain why or why not.
